## Subscription details

Each subscription is for four issues of EOS magazine. Subscriptions paid by credit card continuous authority (CCA) or Direct Debit (DD) receive a discount of £5. You can convert to CCA or DD payment at any time; a debit will not be made until your next renewal date. Details are available on request. Details of any change to the subscription fee for credit card continuous authorities (CCAs) are published in EOS magazine in advance of any change. CCA renewal fees are £16.95 (UK), £21.95 (Europe) and £26.95 (air mail outside Europe). Please notify EOS magazine of any change to your address or credit card details. CCAs can only be cancelled by contacting EOS magazine.

Details of any change to the subscription fee for Direct Debit payments are sent to subscribers at least one month in advance of any change. Direct Debit payments are not notified or acknowledged except in the case of a change to the subscription fee or renewal date. Direct Debit mandates can be cancelled by contacting your bank, but please also notify EOS magazine to avoid confusion.

## EOS Extra!

EOS magazine subscribers have their own special area on our website where there is a variety of offers and articles. Click the EOS Extra! link at [www.eos-magazine.com](http://www.eos-magazine.com) and enter the password: extraeos

## Everything EOS

Every camera, lens and Speedlite is listed in our 'Everything EOS' supplement, along with many accessories from the EOS system. You can download it free from the EOS Extra! section (see above).

## EOS Training Academy

Now part of EOS magazine, the EOS Training Academy offers a range of courses at our Oxfordshire training centre, around the country and online. We only work with the EOS system, giving unrivalled tuition and advice on how to get the very best out of your cameras and lenses.
